

REMOVING FINANCIAL BARRERS ...we want to help!

1. Jumpstart

Sometimes, families need financial assistance to get their kids into a sport or physical activity. Jumpstart is committed to helping families access a range of activities, from boxing to bowling and skating to skiing and so much more ...like rugby!

2. KidSport

Grants are available (up to \$500) to kids from families facing financial barriers so they can participate in registered sports programs (like rugby) and experience the lifelong benefits of sport. Missing equipment? Need a little extra helping hand? KidSport is happy to set up eligible candidates with an appointment that can be used for sport registration fees, travel and competition fees!
